IGNITE YOUR FUTURE PROGRAM

Kickstart your journey to confidence, connection, and new opportunities
4 Days per Week | ACSF Levels 1–3

This exciting program is designed to empower you with the skills, confidence, and support needed to take positive steps towards further learning, employment, or a fresh career direction. Perfect for jobseekers, early school leavers, re-entrants to the workforce, and career changers, the program provides a welcoming and supportive environment where you can build self-belief, develop meaningful social connections, and strengthen your communication and teamwork skills.

Through practical, hands-on activities, you'll gain valuable foundation skills in digital technology, planning and organising, reading, writing, and numeracy. You'll also have the opportunity to work towards nationally recognised units from the Foundation Skills Training Packages.

By the end of the program, you'll feel more confident engaging with others, understanding workplace expectations, and navigating your next steps with clarity and purpose. You'll leave with enhanced skills, increased confidence, and valuable connections to local training, employment, and community opportunities that can help shape your future.
